GOVT. OF MYSORE

Sir,

Subject: Utilisation of Government Grant of Rs.500/- for other purposes - Hoskote Municipality solicits sanction to the -

With reference to Government Order No. M.Dis. 81 dated 10-2-1934 approving of the utilisation of the grant of Rs.500/- sanctioned in 1930 towards the shafting of the Anikarnataka Houses at Hoskote, for the construction of the Municipal office, I have the honor to state as follows.-

There has been an audit objection raised during the year 1937-38 (extract enclosed) that the above grant has been utilized for purposes other than that for which it was sanctioned, without proper sanction. It is seen from the enclosed report of the Amildar President of the Municipality that the above grant of Rs.500/- along with a equal grant sanctioned for the construction of sheds in the shandy maidan (1937-38) was spent towards the latter purpose, as the question of the construction of the building for the Municipal office was not one of urgency. On the other hand, the need for sheds in the shandy maidan was more urgent apart from their being remunerative to the Municipality. The Municipal Council therefore resolved at its meeting held on 27-7-1940 that the technical objection raised in audit might kindly be got waived by Government.

Mr. Syed Abdul Aleem (now Sub Divisional Officer) was the Amildar President and Mr. Venkatasubbiah, present Vice President, was also the Vice President at that time. The explanation given by the latter is that the construction of sheds was one of urgent necessity and that the grant sanctioned for the purpose was not sufficient etc., though the diversion of the funds for purposes other than those for which they were

were sanctioned was profitably used, yet necessary sanction ought to have been obtained in time for the utilization of the grant for a ferent object. Mr. Aleem the then Amildar President ought to have seen this before expending the grant for other purposes.

As, however, the amount has been spent as above and as the income the shandy has also risen steadily by the construction of these sheds I request that sanction of Government may kindly be obtained to the utilization of the above grant of Rs. 500/- towards the construction of sheds in the shandy maidan, and to waive the audit objection ra

The connected records accompany for favour of reference and return.

I have the honour to be,
Sir,
Your most obedient servant,

J J Deliades
Deputy Commissioner,
Bangalore District.
